[Press Release: September 12, 2019](#)

392Km Multan-Sukkur Motorway (M-5) will be opened to light traffic today (September 13, 2019)

According to a Press Release of Ministry of Communications, National Highway Authority, the recently completed 392 KMs long **Multan-Sukkur Motorway (M-5)** will be opened to light traffic today (September 13, 2019). Consisting of Six (06) lane Multan-Sukkur Motorway is an integral link of CPEC (China Pakistan Economic Corridor) that will reduce travelling time between Multan and Sukkur to a considerable extent. M-5 will not only accelerate industrial growth but agricultural sector will also be benefitted at large. The M-5 will pave the way for socio economic uplift in Punjab and Sindh Provinces.
