

National Highway Authority
Public Relations Directorate

PRESS RELEASE

Islamabad: April 16, 2019

Federal Secretary for Communications and Postal Services Mr. Shoaib Ahmad Siddiqui has said that Clean & Green Motorways and National Highways provide friendly environment to the travelers. Clean & Green Pakistan drive initiated by the Government is a noble cause and we are to move forward hand in hand to make it a success. He was talking on occasion of planting tree in the Service Area at Karachi – Hyderabad Motorway (M-9) today. National Highway Authority’s Member (South-Zone) Sindh, Mr. Shabbir Ali Shah, D.I.G Motorway Police (South Zone) Mr. Saleem Ahmad Khan and other senior officers also present.

Emphasizing upon the afforestation drive Mr. Shoaib Ahmad Siddiqui recalled lasting relation between human beings and trees. Lush Green Pakistan will not only provide pleasant environment to the people but trees also guard against calamities occurring due to climate change. Hence, he said, planting more and more trees is a national requirement. Ministry of Communications and its attached departments are making practical advancement to realize the vision of Clean and Green Pakistan given by Prime Minister of Pakistan Mr. Imran Khan.
