***NHA UNDERTAKING PRECAUTIONARY MEASURES  
AGAINST CORONA VIRUS***

National Highway Authority is undertaking pragmatic precautionary measures against Corona Virus spread throughout the country. To this effect, protective steps are being taken in headquarters of the National Highway Authority, its Zonal Offices located in Karachi, Lahore, Peshawar, Quetta, Multan, Sukkur, AJK and Gilgit Baltistan and also at maintenance units. Pamphlets and Brochures containing covering measures are being distributed at all the places under NHA control. Movement of visitors to NHA offices is being restricted to every possible extent. Besides cleanliness of wash rooms is ensured and anti bacterial soaps and sanitizers are being provided there. Masks and gloves are given to Booth Operators serving at Toll Plazas on motorways and national highways network. Further, banners are also placed at Service Areas and travelers are being persuaded to adopt careful measures against Corona Virus.

The employees of NHA are advised to consult doctor in case of Flu, Cough and Fever. The objective of such steps is to control the dangerous effects of the pandemic Corona Virus to every possible extent.
