Press Release: July 24, 2019

MoU SIGNED FOR PLANTING 20,000 SAPLINGS ON N-5

MoU being signed by NHA`s Director Afforestation Ms. Fasih Mumtaz Malik & Ms. Asma Qadeer MNA for plantation on N-5

In connection with “Apni Shahrah Project” National Highway Authority signed a memorandum of understanding (MoU) with Ms. Asma Qadeer MNA at NHA headquarters here today. Under Clean and Green Pakistan programme, NHA is gradually moving forward to plant saplings along national highway and motorways network. Plantation will be made on median from Gujrat to Kharian (20 Km) and Missa Kiswal to Mandra Toll Plaza (20 Km) segments of N-5. 10,000 saplings will be planted on each segment, thus total of 20,000 saplings will be planted in 40 km long area of median. After the completion of agreed time of one year for plantation and 3 years’ maintenance, the median along with plantation will be handed back to NHA. NHA will monitor the project on regular basis. The progress report will be uploaded on NHA’s website for reference of interested parties.
