

Development of National Road Infrastructure Through Public Private Partnership (PPP) Program By National Highway Authority (NHA)

1. The Government of Islamic Republic of Pakistan through National Highway Authority (NHA) intends to accelerate national highway and motorway infrastructure development by enhancing private sector participation thereby promoting economic growth and reducing poverty.

2. In this context, NHA intends to offer the following projects on Build-Operate-Transfer (BOT) basis under Public Private Partnership (PPP) regime. Under BOT arrangement, the successful bidder (the Concessionaire) shall be responsible to design, finance, construct, operate, maintain and transfer the Project Assets to NHA at the end of concession period.

Sr. No.	Name of Project	Scope
1	Hyderabad–Sukkur Motorway (M-6)	Construction of 306 Km 6-lane motorway
2	Karachi–Quetta–Chaman (N-25)	Dualization and Rehabilitation of Existing Carriageway
3	Balkasar – Mianwali	Dualization and Rehabilitation of Existing Carriageway
4	Mianwali – Muzaffargarh	Dualization and Rehabilitation of Existing Carriageway
5	Shahdara Flyover (N-5)	Construction of flyover
6	Lyari elevated freight corridor	Construction of elevated highway
7	Bara Kahu Flyover (N-75)	Construction of flyover
8	Sialkot – Kharian – Rawalpindi Motorway	Construction of motorway

3. The above projects are publicized to apprise interested private parties with the NHA portfolio under PPP regime. However, for initiating procurement process, individual notice for each project is expected to be advertised within the current fiscal year.

4. For further information, please visit NHA website www.nha.gov.pk. Further clarification can be obtained on any working day during office hours from the office of undersigned.
